

# New Jersey Dental School

## Selective-Elective Program

COURSE#: CNED9901  
[ ] SELECTIVE  
[X] ELECTIVE  
TRIMESTER: FALL, WINTER, SPRING

**DEPARTMENT:** Division of Continuing Dental Education  
**COURSE TITLE:** Opportunities in Continuing Dental Education

---

### MAIN PURPOSE OF THIS COURSE:

To enable students to attend continuing dental education programs. This will serve as an introduction to the merits and value of continuing dental education.

### COURSE CONTENT:

Students would register and attend a continuing dental education program(s) from a pre-determined list of CDE offerings.

### OBJECTIVES OF COURSE:

1. To develop a sense of professionalism by participating in CDE programs with practicing professionals.
2. To gain a sense of the responsibility of "lifelong learning" for professionals.
3. To acquaint the student with new techniques and procedures beyond what is available in the pre-doctoral program.

### EVALUATION OF STUDENTS:

A limited number of students would be eligible to register for CDE courses one week prior to the course date (on a space available basis).

Students would be required to attend the full course and will receive a letter of attendance at the end of the program.

---
